WELCOME

TO ICEM 2026

HAMBURG!

Dear friends and colleagues,

Welcome to ICEM 2026 in the vibrant, maritime city of Hamburg!

We are thrilled to gather emergency medicine professionals from **80+ countries** for five unforgettable days of learning, connection, and global spirit.

GET
READY
FOR

- outstanding international speakers
- inspiring Center Stage moments
- hands-on workshops
- bold ideas & future-driven science
- a large and diverse industry exhibition
- a buzzing ICEM Village full of energy and exchange

ICEM 2026 is all about **team spirit** — growing together, moving forward together, and shaping the global future of emergency medicine.

A huge thankyou to everyone contributing to this great journey.

We can't wait to share this special experience with you in Hamburg.

Let's move [#wetogetherforward](#) — see you in June 2026!

Team Captain Michael Wüning
On behalf of the LOC

Venue

ARENA SESSIONS

The highlight of our Arena – our Central Stage places the speakers at the very heart of the audience, creating an energizing 360-degree experience that invites connection from every angle. Its circular design and surrounding screens ensure that every participant enjoys an immersive and engaging view of the program.

M01 Mixed Session

Judith Tintinalli | Simon Carley | Marina Bartholo | Stevan Bruijns

M02 Mixed Session

Manuela Brinkmann-Bizama | Tony Cirillo | Ankur Verma

M03 Mixed Session

Alexandra Asrow | Anton Helman | Susie Williams

M04 Working Environments, Wellness & Wellbeing in EM
How to be a Climate-smart Emergency Physician

M05 Resuscitation & Critical Care

M06 Working Environments, Wellness & Wellbeing in EM
IMPROV - The Tool you are Missing

M07 Mixed Session

Megan Rybarczyk | Eddy Lang | Christina Shenvi | David Carr

M08 Mixed Session

Simon Carley | Feroza Motara | Jutamas Saoraya | Patrick Van de Voorde

M09 Education & Training in EM | Global EM Residency Panel

M10 Emergency Ultrasound | The Ultrasound Film Awards

M11 Essentials & Hot Topics in EM | Decide with Me:
Emergency Ethics under Pressure

M12 Working Environments in EM | Ubuntu in EM

SCIENTIFIC SESSIONS

WEDNESDAY, 10 JUNE

- S01** Disaster EM | Disaster Medicine
- S02** Gender-specific Emergency Care, Diversity & Inclusivity
The Unwritten Protocol: Re-Imagining Gender Equity in EM
- S03** Education & Training in EM | Transforming Global EM
Training 1
- S04** Essentials & Hot Topics in EM | STOP!!! – an exploration of
ceasing resuscitation
- S05** Essentials & Hot Topics in EM | Dolphin & Shark Presenta-
tions of Research
- S06** Emergency Ultrasound | Don't Punish your Patient with
Unnecessary Radiation! PoCUS First
- S08** Remote Area Emergency Care | Emergency Medicine at the
Edge: Delivering Care in Remote, Austere, and Operational
Environments
- S09** Emergency Care at the Extremes of Age | Live Immersive
Simulation on Trauma in Older Adults
- S10** EM around the World | Storytelling from Around the World
- S11** Emergency Care at the Extremes of Age | Stay Calm, we've
got an Agitated Child or Parent
- S12** Oral Papers Presentation
- S13** Oral Papers Presentation
- S15** Major & Minor Trauma Care | Navigating Challenging Trauma
Cases
- S16** Resuscitation & Critical Care | When Two Lives Hang in the
Balance

SCIENTIFIC SESSIONS

WEDNESDAY, 10 JUNE

- S17** EM around the World | Advancing Global EM Education: Implementing IFEM's Curriculum, Primers, and Entrustable Professional Activities across diverse Training Environments
- S18** Advocacy & Development of EM | Advocacy for Emergency Care
- S19** Hot Topics in EM | The Global ED: Frontline Stories in Tropical Medicine
- S20** Oral Papers Presentation

SCIENTIFIC SESSIONS

THURSDAY, 11 JUNE

- S22** Education & Training in EM | Transforming Global EM Training 2
- S23** Major & Minor Trauma Care | Top 5 Trauma Research Papers
- S24** Toxicologic Emergencies | Toxicology in Action: Reversal Strategies for Critical Poisonings
- S25** Emergency Care at the Extremes of Age | Stay Calm, it's 3 am, but I am Prepared
- S26** Quality & Safety in the ED | ED Quality & Patient Safety – 1
- S27** Emergency Care at the Extremes of Age: Behavioural EM Meets Geriatric EM | Guidelines for Evaluation of the Older Agitated Patient + Geriatric Emergencies as a Global Public Health Priority

SCIENTIFIC SESSIONS

FRIDAY, 12 JUNE

- S29** Essentials & Hot Topics in EM | Improving Diagnosis in Emergency Medicine: Opportunities & Challenges for Diagnostic Accuracy
- S30** Resuscitation & Critical Care | From Crisis to Control: Disaster Management in the Resus Room
- S31** Environmental Medical Emergencies | People Power: Climate Advocacy and EM + Healthcare Systems & Climate Crisis: The time to Act is Now
- S32** Disaster EM | Innovations in Disaster Medicine
- S33** Technological Advancement, Digitization & AI in EM | Digital Careers
- S34** Leadership in EM | Leadership in EM Education
- S36** Essentials in EM | Managing Critically Ill Patients in the Crowded ED
- S37** Education and Training in EM | Universal Lessons in Emergency & Critical Care
- S38** EMS/Prehospital Emergency Care | Aeromedical Care, Transport, and Operational Readiness
- S39** Emergency Ultrasound | Advancing PoCUS Accuracy with New Tech and Education Pathways: The Next 5 Years
- S40** Quality & Safety in the ED | ED Quality & Patient Safety – 2
- S41** Technological Advancement, Digitization & AI in EM | Practical use of AI in EM
- S43** Education & Training in EM | 20 Years of IFEM Core Curriculum and Education Committee: Vision, Global Impact, and the Road Ahead

SCIENTIFIC SESSIONS

FRIDAY, 12 JUNE

- S44** Resuscitation & Critical Care | Re-Engineering Critical Care
- S45** Essentials & Hot Topics in EM | Recognizing Sepsis Where It Matters Most – Screening and Diagnosis in the ED
- S46** EM around the World | EUSEM@ICEM
- S47** Oral Papers Presentation
- S48** Oral Papers Presentation
- S50** Education & Training in EM | IFEM ACADEMY Launch/Introduction
- S51** Gender Specific Emergency Care, Diversity & Inclusivity | A Woman's Place: Inspirational Stories about Women in EM
- S52** Technological Advancement, Digitization and AI in EM | Reimagining EM Education: AI for Educator Excellence
- S53** Working Environments, Wellness & Wellbeing in EM | From Students to Systems: Student Leadership and Mentorship in EM
- S54** Behavioural Emergencies | Disorders We Love to Hate: Malingering, Factitious and Somatization Disorders
- S55** Oral Papers Presentation | Nominees - Best Paper at ICEM

SCIENTIFIC SESSIONS

SATURDAY, 13 JUNE

- S57** EM around the World | IFEM Regional Representatives Panel Discussion
- S58** Major & Minor Trauma Care | Beyond Guidelines - Current Best Practice in Trauma Care

- S59** EM around the World | Stronger Together: Building Resilient EM Systems through Global Collaborations
- S60** Essentials & Hot Topics in Emergency Medicine | Top 10 Choosing Wisely Practices in Canadian EDs: Doing More by Doing Less
- S61** Technological Advancement, Digitalization & AI in EM | The Wonderful World of Telemedicine
- S62** Education & Training in EM | Teaching Tomorrow's Physicians: Lessons from Leaders in EM Student Education
- S64** Advocacy & Development of EM | Strengthening the Pulse: Advancing Critical Care Systems & Advocacy
- S65** Emergency Care at the Extremes of Age | Stay Calm, our ED is Prepared (to Take on Critically Ill or Injured Children)
- S66** Emergency Medical Services / Prehospital Emergency Care | Prehospital Emergency Care Systems around the World
- S67** Resuscitation & Critical Care | Rethinking ventilation during cardiac arrest – From myths to ways forward
- S68** Quality & Patient Safety in the ED | ED Quality Metrics and their practical implications & Current State of ED Quality and Patient Safety
- S69** Education & Training in EM | Entrustable Professional Activities - A Journey through Space and Time

Preliminary program, changes still possible

SOCIAL MEDIA STAGE

The Social Media Stage extends the congress experience far beyond the event itself, transforming key moments and insights into engaging digital content. By capturing and sharing lectures across multiple channels, it ensures that participants and interested professionals worldwide can access and benefit from the knowledge long after the congress has ended.

S07 EM around the World | Global Challenges, Aging Populations, and Digital Influence

S14 Essentials & Hot Topics in EM | Critical Decisions in the ED

S21 Essentials & Hot Topics in EM | Clinical Updates and Innovative Approaches to Training

S28 Essentials & Hot Topics in EM | Critical Interventions in the ED

S35 Advocacy and Development of EM | Development of EM around the Globe – 1

S42 Advocacy & Development of EM | Development of EM around the Globe - 2

S49 Essentials & Hot Topics in EM | Intuition, Experience, and Smarter Decisions in the ED

S56 Mixed Session

S63 Essentials & Hot Topics in EM | Global and System Challenges in EM

S70 Essentials & Hot Topics in EM | Challenges and Perspectives in Modern EM

GERMAN SESSIONS | DGINA

- 01** Krisenfest | Zivile Verteidigung neu gedacht
- 02** Präklinik | Low-Code - High-Risk?
- 03** YoungDGINA | EM Slam
- 04** High Performance in der Notfallmedizin
- 05** Von der Krise zur Chance? Notfallreform in unsicheren Zeiten
- 06** Session Gender | Close the gap: Evidenz, Equality & Empowerment
- 07** short | Die Sepsis-Challenge | Erkennen, Handeln, Leben retten
- 08** short | Präklinik | Clinical Governance: von der Theorie in die Praxis
- 09** short | Aktuelle Themen
- 10** Nicht-traumatologischer Schockraum 2026
- 11** Vom Delir zum Disaster: Präklinische Aspekte rund um Geriatrie, Neurologie, Psychiatrie und Katastrophenmedizin
- 12** YoungDGINA + Board Wissenschaft | Forschung. Einfach. Machen
- 13** Traumaversorgung im Fokus | Schnelligkeit und Präzision
- 14** Präklinik | Ein Heilberuf wie kein anderer - Perspektiven auf Ausbildung, Maßnahmen und Weiterentwicklung von Notfallsanitäter*innen
- 15** Pädiatrische Power Toolbox für die Akutmedizin
Von Struktur-Check bis Ketamin-Hack
- 16** Wenn der Ton kippt | Gewalt in der Notaufnahme
- 17** POCUS... mehr als FAST und FEEL

GERMAN SESSIONS | DGINA

- 18** YoungDGINA | Forum Junge Notfallmedizin
- 19** Präklinik | Kritische Patienten
- 20** Notfallmedizin trifft Infektionsprävention | Hygiene trotz Eiltempo
- 21** Leadership | Perspektiven von ChefärztInnen
- 22** Update Notfallmedizin | How to...
- 23** Best Papers
- 24** Notfallpflege im Wandel | Fachpflegerische Kompetenzen in der Notaufnahme wirksam einsetzen
- 25** Ersteinschätzung | INZ, Leitstelle, Notaufnahme
- 26** Präklinik | Die kritische Rolle des Rettungsdienstes an gesellschaftlichen Bruchstellen
- 27** "Zwischen Anspruch und Realität" – Herausfordernde Pflegesituationen in der Notaufnahme
- 28** Vielfalt trifft Notfall | Diversity-Kompetenz in der Akutversorgung
- 29** DGINA-Initiativen zur Zukunft des Rettungsdienstes
- 30** YoungDGINA | „The Pitt“ Spezial

PRE-CONFERENCE WORKSHOPS

- WS01** Emergency Cardiology Challenges
- WS02** From Resistance to Results: How to Lead Change
- WS03** Toolkit for Entrustable Professional Activities (EPAs): the nuts and bolts
- WS04** Leadership in Emergency Medicine
- WS05** Practical AI Tools for Emergency Physicians: Building Capacity for Global Emergency Care
- WS06** SYNAPSE: Stroke Workshop
- WS07** Geriatric Emergency Medicine
- WS08** Block That Pain!
- WS09** Advancing Care in your Emergency Department through Quality Improvement
- WS10** Mastering the Art of Clinical Teaching
- WS11** Culture Eats Curriculum for Breakfast
- WS12** Gender Equity & Equality (GEE) for SMART Emergency Departments
- WS13** Wilderness Medicine: Far from Help
- WS14** Next-Generation Simulation Workshop: Standards, Innovation and AI Integration
- WS15** Pediatric Trauma Fundamentals (PTF)
- WS16** Terror Disaster Surgical Care (TDSC)
- WS17** Focused resuscitative transesophageal echocardiography
- WS18** Extracorporeal cardiopulmonary resuscitation (eCPR)

PRE-CONFERENCE WORKSHOPS

- WS19** Point of Care Musculoskeletal Ultrasound
- WS20** Advanced Echocardiography POCUS
- WS21** Point of Care Advanced Abdomen Ultrasound
- WS22** Nerve Blocks POCUS
- WS23** Hands-On Cadaver Workshop: High-Acuity Emergency Procedures (morning)
- WS24** Hands-On Cadaver Workshop: High-Acuity Emergency Procedures (afternoon)

further workshops in planning

**Get ready for the ultimate
Ultrasound Competition
at ICEM 2026!**

Fifty teams blitz through rapid-fire MCQs, creative challenge stations, and a high stakes live Grand Finale to crown the **Ultrasound Champion Team.**

Blindfold & hidden objects scans, simulation mayhem, artifact arcade, speed scanning, surprise twists, and big prizes — pack a 4hour surge of knowledge, precision, and teamwork.

Ready to Join? Here's How

[Deadline for application: 1 May 2026](#)

Registration fee per team: EUR 50

CPR CHALLENGE

Push It for Life: The ICEM CPR Challenge at ICEM 2026 will be an energetic, educational, and engaging event designed to showcase best practices in cardiac arrest management.

Team Composition: Two participants (preferably people who are in training). Each team represents a country.

Ready to Join? **Here's How**

The first 16 countries will be accepted.

Deadline for application: 1 May 2026

Registration fee per team: EUR 50

SIMULATION SHOWDOWN

ICEM 2026's live EM Arena where high stakes, high fidelity simulation brings emergency medicine to life.

Up to **12 elite teams** worldwide face allages scenarios –with curveballs and ethical dilemmas – testing **clinical excellence, leadership under pressure, CRM, and interprofessional synergy.**

Ready to Join? [Here's How](#)

Deadline for application: 1 May 2026
Registration fee per team: EUR 50

HACK@THON

Join the International Hackathon of Emergency Medicine at ICEM 2026!

Create bold ideas, solve real challenges, and collaborate with brilliant minds from around the world.

Code, innovate, compete and bring your smartest solutions to life! Ready to hack the future?

Ready to Join? Here's How

Deadline for application:
1 May 2026

Registration fee per team:
EUR 50

BE ACTIVE

GET
READY!

Thursday afternoon is all about **Be Active!** Alongside interactive session formats in the Arena and on the Event Stage, the **ICEM Marketplace – where education meets imagination** – invites you to dive into: **hands-on meets Gamification, Teaching meets Team Challenge, and Science meets Wow!**

Plus, more thrilling highlights await you: **Speed Networking**, an immersive **Escape Room**, and an exciting **Helicopter Exercise!**

Don't miss it — experience learning like never before!

SUPPORT A DELEGATE

IFEM collects donations to enable as many participants from low- and lower middle-income countries as possible to attend ICEM 2026.

Would you like to make a voluntary donation to enable participants from LMICs to attend the congress?

During registration, you have the option to donate an amount of your choice.

Donations are collected on behalf of and on the order of IFEM www.ifem.cc. The distribution of donations to SUPADEL (SUPpport-A-DELegate) applicants is also coordinated by the IFEM Secretariat.

**ICEM
VILLAGE**

The ICEM Village in Hamburg's HafenCity is more than just a place to stay. It's our way of creating something truly new in the world of medical conferences: a space designed for connection – inspired by the spirit of the Olympic Village.

We've secured exclusive room blocks in selected hotels within the ICEM Village, giving you easy access, reliable booking, and a chance to fully immerse yourself in this unique environment.

EMVISION

www.emvision.com.au

EMVision Medical Devices Ltd (ASX:EMV) is building a world-first portable brain scanning platform designed to bring diagnostic-grade capabilities to the point of care, at the bedside, in emergency departments, and ultimately in pre-hospital and retrieval environments where minutes determine outcomes.

Subscribe to our newsletter

The EMVision portable brain scanner is not available for sale or clinical use. It has not been cleared by any regulatory authority.

ICEM
CAMP

We know accommodation can be a heavy financial burden on young and early career conference attendees. To address this, we've created the ICEM Camp: an entire hostel that will be buzzing full of young EM professionals from all over the world – providing not just a place to sleep, but a shared space and community. With this ultra-affordable option at 25-30 € per person per night we aim to empower everyone to attend and be part of this unique experience that is ICEM 2026.

WEDNESDAY, 10 JUNE

YoungDGINA Barfest | 20:00-03:30

Prepare to embark on the legendary YoungDGINA Barfest, hosted aboard the MS Stubnitz — a floating industrial monument and iconic symbol of Hamburg's maritime heritage.

Navigate an unforgettable night of skills, networking, and partying!

Join us aboard the MS Stubnitz at **ICEM 2026** — where the legacy of the sea meets the future of Emergency Medicine.

 Kirchenpauerkai 29
20457 Hamburg

 50 EUR per person
(includes entry + one complimentary drink)

Take a photo of an ECG and quickly assess the risk of myocardial infarction, heart failure, and hyperkalemia in real time

- ✓ Identifies 11 major cardiac rhythms
- ✓ Provides risk levels for 10 digital biomarkers
